FUNDRAISING

Mixes sell for \$5.00 each and are super easy to sell. Your organization will make \$2.00 on each package sold. For every 200 packets sold, highest seller earns a Little Dippers Fundraiser Gift Card (which can be used online.)

We work on an individual basis to accommodate the needs of the group. No group is too large or too small. If you don't have access to print out all the forms please contact us either my email or phone and we will mail out as many forms as needed.

Orders are filled as soon as possible and take no more than two weeks to be shipped or delivered, after all payment and forms are turned in. No need to worry about shipping cost because we take care of that for you or deliver to local addresses.

Be sure to instruct your sellers to fill out all due dates and checks made out to your organization. Once your group has completed selling the mixes send a check for the mixes sold (\$3.00 each) to the address listed, along with the master sheet. Make sure to include contact person, address, and phone number with the complete payment made out to : Little Dippers Mixes.

Any other questions or concerns please contact us.

Sincerely,
Shelley Davis
