Thank you for your interest in partnering with us to earn money for your organization. Mixes sell for \$6.00 and are lightweight, need no refrigeration and are easy to sell. Your organization will make \$2.50 on each package. For every 200 packets sold, we will issue a gift certificate for free mixes to the highest seller or sellers.

We work on an individual basis to accommodate the needs of the group. We ask that you sell a minimum of 50 mixes. Please contact us if you are interested in selling so we can add you to our calendar. If you do not have access to print out all the forms, please contact us either by phone or email and we will mail you out as many forms as needed.

Orders are filled as soon as possible and take no more than two weeks to be shipped or delivered, after all payment and forms are turned in. No need to worry about shipping cost because we take care of that for you, either by delivery or mail USPS.

Please instruct your sellers to fill out all the due dates and make check payable to your organization. Once your group has completed selling the mixes simply send a screen shot of the master copy. Be sure to include the contact person's name, address, phone number and number of sellers. If the order will be shipped due to distance, please make the check out for the total mixes sold (\$3.50 each) to Little Dippers Mixes to the address listed. Once the order is filled and the check has cleared, the order will be shipped. If the order is local the check can be paid when the order is delivered. Those discussions will be handled after the order is placed. Any other questions or concerns please contact us.

Sincerely,

Shelley Davis
